**March 14, 2008**

**Saskatoon, Saskatchewan**

## **WESCAN GOLDFIELDS INC. APPOINTS STOETERAU AS PRESIDENT**

The Board of Directors of Wescan Goldfields Inc. (“Wescan” or the “Company”) are pleased to announce the appointment of Judy Stoeterau, P.Geo. as President of the Company.

Mr. Kenneth E. MacNeill, Chairman of Wescan stated “I look forward to Judy becoming a key member of the management team of our Company. Judy brings a wealth of knowledge and experience to Wescan which provides a solid foundation for leadership.”

Her most recent position was Vice President of Exploration for Claude Resources Inc. Ms. Stoeterau received her B.Sc. Geology degree from the University of Manitoba and is a member of the Saskatchewan, Ontario and Northwest Territories Nunavut professional geoscience associations. She has over 30 years experience in the fields of mineral exploration and corporate management, working for both major and junior companies on gold, base metal, uranium and diamond projects in Canada and South America.

The Board of Directors wishes to thank Maurice (Moe) Lindsay, former President, for his contributions to the Company over the past two years and wish him success in his future endeavors. Mr. Lindsay will continue in his role as a director of Wescan.

Wescan is a Canadian based corporation engaged in the acquisition, exploration and development of mineral properties. Shares of the Company trade on the TSX Venture exchange under the trading symbol “WGF”.

### ***Caution Regarding Forward-Looking Statements***

From time to time, Wescan makes written or oral forward-looking statements within the meaning of certain securities laws, including the "safe harbor" provisions of the Ontario Securities Act and the United States Private Securities Litigation Reform Act of 1995. Wescan may make such statements in this press release, in other filings with Canadian regulators or the United States Securities and Exchange Commission, in reports to shareholders or in other communications. These forward-looking statements include, among others, statements with respect to Wescan's objectives for the ensuing year, our medium and long-term goals, and strategies to achieve those objectives and goals, as well as statements with respect to our beliefs, plans, objectives, expectations, anticipations, estimates and intentions. The words "may," "could," "should," "would," "suspect," "outlook," "believe," "plan," "anticipate," "estimate," "expect," "intend," and words and expressions of similar import are intended to identify forward-looking statements. In particular, statements regarding Wescan's future operations, future exploration and development activities or other development plans contain forward-looking statements.

All forward-looking statements and information are based on Wescan's current beliefs as well as assumptions made by and information currently available to Wescan concerning anticipated financial performance, business prospects, strategies, regulatory developments, development plans, exploration, development and mining activities and commitments. Although management considers these assumptions to be reasonable based on information currently available to it, they may prove to be incorrect.

By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and risks exist that predictions, forecasts, projections and other forward-looking statements will not be achieved. We caution readers not to place undue reliance on these statements as a number of important factors could cause the actual results to differ materially from the beliefs, plans, objectives, expectations, anticipations, estimates and intentions expressed in such forward-looking statements. These factors include, but are not limited to, developments in world gold markets, risks relating to fluctuations in the Canadian dollar and other currencies relative to the US dollar, changes in exploration, development or mining plans due to exploration results and changing budget priorities of Wescan or its joint venture partners; the effects of competition in the markets in which Wescan operates; the impact of changes in the laws and regulations regulating mining exploration and development; judicial or regulatory judgments and legal proceedings; operational and infrastructure risks and the additional risks described in Wescan's most recently filed annual and interim MD&A and Wescan's anticipation of and success in managing the foregoing risks.

Wescan cautions that the foregoing list of factors that may affect future results is not exhaustive. When relying on our forward-looking statements to make decisions with respect to Wescan, investors and others should carefully consider the foregoing factors and other uncertainties and potential events. Wescan does not undertake to update any forward-looking statement, whether written or oral, that may be made from time to time by Wescan or on our behalf.
